

FOPC Co., Ltd.

A leader in telecommunication systems and services since 2011.

Company Overview

With over ****35 years of experience**** in the telecommunication industry, FOPC Co., Ltd. provides a full spectrum of services from sales and supply to comprehensive engineering and maintenance. We are committed to delivering world-class, end-to-end solutions that help our clients improve efficiency, increase quality, and reduce operational costs.

Our Story

Founded on the vision of a telecommunications industry veteran with ****35 years of experience****, FOPC Co., Ltd. was established in 2011. Since our inception, we have grown and evolved by investing in the latest technologies and tools, and our deep ****technology knowhow****, to meet the changing needs of the market. Our journey has been defined by a commitment to excellence and a passion for providing comprehensive, reliable solutions to our partners and clients.

Management Team

Mr. Thanu Sae Tung
Managing Director
****35 Years Experience**** in Telco Industry

Mr. Lee Soon Fatt (Vick)
Project Director
****20 Years Experience**** in the RF Field

Mr. Sadta Rukmak
Project Director - Division 1
****17 Years with FOPC****

M. Supapit Singhaphan
Project Director - Division 3
****12 Years with FOPC****

M. Chuleeporn Klinhom
Project Director - Division 2
****17 Years with FOPC****

Ms. Wareesa Thongprsoot
Finance Director
****17 Years with FOPC****

Ms. Chang Wei Yee (Joey)
Assistant Financial Director
****8 Years with FOPC****

Our Group Companies**FOPC Co., Ltd.**

Established in 2011, with a core business in Telecom Equipment Installation, Commissioning, and Integration (TI), Wire and Wireless Transmission Technology, Power Systems, and Data Centers.

Multiwireless Thailand Co., Ltd.

Established in 2013, to spearhead mobile wireless network planning and optimization activities.

Witelcom Thailand Co., Ltd.

Established in 2010, specializing in System Integration, Wireless Communication for Tactical applications, Digital Microwave Solutions, and Energy Storage Systems.

Our Core Services

Telecom Equipment (TE) Services

Radio Network Expansion and Swap
 IPRAN Expansion and Swap
 Broadband Systems Installation
 Site Commissioning and Integration
 Power System and Data Center Solutions
 Service Contract

RF & Optimization Services

RF Drive and Walk Tests
 Network Benchmarking
 Network Rollout Optimization
 Cell and Network Performance Monitoring
 Capacity Planning and Congestion Relief

System Solutions

Long Range Wireless Tactical Communication
 Energy Storage Systems
 Campus Networks
 Wireless ISP (End to end solution)
 Firewall solution

Customer Reference Projects

Our commitment to excellence is reflected in our comprehensive project history.
